Yes No

- Do you believe there is a need to improve north-south connectivity between the proposed Springdale Northern Bypass and Bella Vista Bypass within the study area? Why or why not?

If you answered “**Yes**” to the previous question, what would you say are the most critical problems to be addressed? Please choose no more than three (3).

- Lack of direct north-south routes within the study area
- Lack of highway infrastructure to support regional growth
- Traffic congestion on existing routes (please identify below)
-
- Poor freight mobility, reliability, or other freight issues (please elaborate below)
-
- Indirect access to Northwest Arkansas National Airport (XNA) from the north
- Safety issues on existing highways within the study area (please describe below)
-
- Other _____
- Other _____
- Other _____

(Continued on Back)

Yes **No**

Are you aware of any environmental constraints within the study area?

Yes **No**

Are you aware of any land development plans within the study area?

Do you believe that a major project within the study area would have any impacts (Beneficial or Adverse) on your community (economic, environmental, social, etc.)? Please explain.

Please make any additional comments here.
